

MARJORAM OIL

SOOTHES MUSCLES AFTER EXERCISE

Marjoram Oil relaxes tense muscles after exercise, and is supportive of the nervous system, as well as calming the respiratory system. Marjoram Oil is also beneficial for occasional simple nervous tension.

Did you know that throughout the ages, Marjoram has been called the “joy of the mountains” and the “happiness herb”? Yes, emotionally, it is the plant of love and longevity as well as being high in antioxidants!
